

UNLIMITED FUN

Diving is all about adventure, friendship
and FUN. All DUI Drysuit and BCS owners
are part of the DUI Owners Group—DOGs.
As a DOG, you are part of an elite group of
divers who are dedicated to discovering what
lies beneath and sharing that experience with
others. You are today's true explorers.

Visit the DUI website to register and learn
more about special DOG-only events, rallies,
demos and special trips.
