

Saturday Dinner & Program: 6 PM

This is a good opportunity to talk with dive industry leaders over a great catered dinner. We'll also feature a fun presentation "The Birth of a Drysuit". The entire evening is only \$8 per person for tickets purchased in advance or \$13 per person if ticket is purchased on-site.

It'll be a fun evening of great food, friends and prizes...prizes...prizes! Get your tickets early.

Barbecue Lunch: 11am to 2pm

- This is included in the event ticket price and is served to all participants from 11am -2pm each day. Please plan your dive schedule appropriately, to make sure you've had a chance to eat. We recommend that divers arriving to the event later than 11:30 check in with DUI and have lunch before drysuit fitting and diving. We have hamburgers (including veggie burgers) and hot dogs, potato chips, and drinks. Family members of participants can enjoy the barbecue lunch for only \$5. Small children are free with a paid adult.

About the Event:

Prior to the demo, each diver will be fitted with the appropriate DUI drysuit and accessory equipment. Once you are dressed and ready to dive, you will check in with the Beachmaster in charge who will assign you an instructor or divemaster as a guide. As soon as there are 2-3 people ready to go in the water, an experienced divemaster or instructor will escort you on your dive. You can do as many test dives as you wish, time permitting. Divers that are already drysuit certified are welcome to plan their own dives accordingly, within the limits of their current experience. With more than 110 suits of various sizes there usually is little wait. If you'd like to test dive a specific model of suit, please let the staff know so that they can do their best to make one available for you.
