## New Limited Edition Designs Available on DUI Drysuits!

---

*Anything BUT black is the new black!*

DUI is known as the “Harley Davidson” and “Ferrari” of drysuits. Now you can add “Armani” and “Versace”, too, with DUI’s New Limited Edition Designs!

In addition to the current 28 materials and colors from which a diver can choose and combine to design their own DUI, divers now have three additional, very “cool” designs that they can select for their DUI. The reason these are Limited Edition is these materials are available only while they last. These designs are:

Blue Camo

Pink Camo

Black with Red & Yellow Flames

DUI’s Limited Edition Designs can be used on a DUI drysuit wherever the overlays are added on Select and Signature Series Drysuits at NO ADDITIONAL CHARGE. Additional overlays on the legs can also be added at the same price as other materials.

DUI is looking forward to varying these Limited Edition Designs as new ones become available. You can see DUI’s Limited Edition Designs on the DUI Website, at consumer dive shows and at ALL DUI DOG RALLY & DEMO TOUR EVENTS.
