Test & Evaluation

Test & Evaluation \$77

All drysuits are subject to a single test and evaluation fee. This includes initial air testing of drysuit, minor seam and puncture repair and repeat air testing to ensure the drysuit is dry.

Features:

- ZipSeals only available on DUI drysuits
- Most current DUI drysuit models can be retrofitted
- Flexible urethane ring installed on the neck and/or wrist
- Allows the diver to replace any neck or wrist seal in minutes
- Wrist seals can be replaced with ZipGloves for completely dry hands
- If installing a neck ZipSeal on a shoulder-entry drysuit, the drysuit must be equipped with a warm neck collar or have one installed
